

CSE 11

Accelerated Intro to Programming

Lecture 21

Greg Miranda, Spring 2021

Announcements

- Quiz 21 due Monday @ 8am
- PA7 due Wednesday @ 11:59pm
- Survey 7 due tonight @ 11:59pm

Generics

- Generics
 - Parametric Polymorphism
- <T>
 - Parameterized type
 - Can be used:
 - In front of method
 - After class/interface name

Challenge

- Add a new method `countUserIsUCSD`
 - That counts how many tweets in an array were tweeted by the “ucsd” user
