CSE 11
Accelerated Intro to Programming
Lecture 21

Greg Miranda, Spring 2021

This lecture is being recorded

Announcements

- Quiz 21 due Monday @ 8am

- PA7 due Friday @ 11:59pm

- Survey 7 due tonight @ 11:59pm

Generics

- Generics
  - Parametric Polymorphism
- <T>
  - Parameterized type
  - Can be used:
    - In front of method
    - After class/interface name

Challenge

- Add a new method countUserIsUCSD
  - That counts how many tweets in an array were tweeted by the "ucsd" user
